Agenda Item No. 6.b.

AGENDA ITEM: Discussion, consideration, and possible action to waive the competitive bid process and approve the revised quote to upfit the five (5) Durangos using Metro Emergency Upfitters through State Contract SW0142.

I. BACKGROUND/DESCRIPTION:

- This item was originally approved by the Council at the February 21, 2022 meeting for an amount not to exceed \$50,000.
- There have been multiple purchase orders issued and voided concerning the upfitting.
- On October 25, 2021, PO#22-15146 was issued for \$40,000.00 to cover the upfitting of the first two Durangos purchased.
- On February 21, 2022, Council approved the issuance of PO#22-15467 for \$50,000.00 to cover the upfitting of all five (5) vehicles purchased under the Community Facilities Grant.
- On March 8, 2022, both Assistant Chief Music and I realized that two key items, including related warranties, were missing from the updated quotes.
- The updated/corrected quotes from MEU are attached.
- MEU is a state contract supplier/vendor.

II. RECOMMENDED ACTION:

Staff recommends voiding PO#22-15467 and issuing a new PO not to exceed \$90,000.00 and utilizing Metro Emergency Upfitters, a State Contract supplier/vendor, in lieu of the open bidding process.

III. FISCAL INFORMATION - This is an unbudgeted item.

AGREEMENT

This Agreement ("Agreement") is made and entered into this _____ day of _____, 2022, by and between the CITY OF CHICKASHA, a municipal corporation, hereinafter referred to as the "City," and OKLAHOMA FIBER, LLC, an Oklahoma Limited Liability Company, doing business as OEC Fiber, hereinafter referred to as "OEC Fiber" or "Company," with OEC Fiber and City sometimes separately referred to hereinafter as a "party," and sometimes collectively as "parties."

WITNESSETH:

WHEREAS, OEC Fiber is a wholly owned subsidiary of Oklahoma Electric Cooperative, an Oklahoma not for profit cooperative ("OEC"); and

WHEREAS, OEC has an agreement for OEC Fiber to utilize OEC's fiber optic cables for the purpose of selling broadband data and voice over internet protocol ("VOIP") Services ("Services"); and

WHEREAS, OEC Fiber represents that it intends to use the fiber optic cables and associated facilities and equipment to offer, among other things, an integrated internet protocol platform of voice, data, information and video services through an integrated internet protocol ("Video Service") within the geographic boundaries of the City; and

WHEREAS, every telephone corporation authorized to conduct transportation or transmission business under the laws of the State of Oklahoma for such purpose has the right to construct and operate between any points in this State pursuant to Article IX, Section 2 of the Constitution of the State of Oklahoma and title 18, § 601, subject to control of the proper municipal authorities as to what grounds, streets, alleys or highways said lines shall run over or across, and the place the poles to support the wires are located;

WHEREAS, in consideration of requirements negotiated with other local exchange carriers and other internet protocol-based video service providers, OEC Fiber is willing to enter into this Agreement and to pay a Video Service Provider Fee, as set forth more fully below so that both OEC Fiber and the City can achieve the full benefits that competition and the availability of such services will bring to the community and the citizens of the City; and

WHEREAS, in consideration of the payment of the Video Service Provider Fee on any Video Services offered by OEC Fiber within the geographic boundaries of the City, as well as other consideration provided herein, the City is willing to enter into this Agreement; and

WHEREAS, the parties understand and agree that neither party shall be deemed to have waived any of its legal rights by entering into this Agreement except as expressly provided herein.

NOW, THEREFORE, in consideration of the mutual covenants, promises and agreements hereinafter set forth, the parties agree as follows:

1. Term of Agreement: This non-exclusive Agreement shall take effect upon approval hereof by OEC Fiber and by the City Council of the City and shall be effective for a term of five (5) years. Prior to the end of this term, the parties agree to enter into good faith negotiations regarding a possible renewal and/or modification, and/or extension of this Agreement.
2. Nature of Agreement:
 - a. No privilege or exemption shall be granted or conferred by this Agreement except those specifically prescribed herein.
 - b. This Agreement shall not relieve OEC Fiber of any existing obligations involved in obtaining permits, pole or conduit space from any department of the City, utility company, or from others maintaining utilities in the streets. OEC Fiber shall be obligated to pay to City the standard permit fees pursuant to City's current fee schedule for construction and laying transmission lines in the City's right of way and shall be obligated to comply with all ordinances, rules and regulations applicable to construction in the City's right of ways.. For purposes of the City's fee schedule, OEC Fiber will be deemed a Franchise Holder.
 - c. This Agreement shall not be sold, transferred, leased, assigned or disposed of (except to an affiliate of OEC Fiber), including but not limited to, by forced or voluntary sale, merger, consolidation, receivership or other means without the prior written consent of the City, and then only under such conditions as the City may establish. Such consent as required by the City shall not, however, be unreasonably withheld.
 - d. Any right or power in, or duty impresses upon, any officer, employee, department, or board of the City by this Agreement shall be subject to transfer by the City to any officer, employee, department, or board of the City.
3. Access to the City's Rights of Way.
 - a. In addition to the rights granted therein, the City hereby acknowledges and grants OEC and OEC Fiber, in accordance with the provisions herein contained, the right to access the City's rights-of-way to provide the services described in this Agreement.
 - b. OEC Fiber represents and claims that its Video Service would not be a "cable service" under Oklahoma or federal law. The City is entering into this Agreement in reliance on this representation. In the event a court or

federal agency or any governmental legislative body with jurisdiction, rules or declares that OEC Fiber's Video Service is a cable service, or that it is subject to the same laws and regulations as a cable service provider or cable television system, and if the ruling or declaration is effective and binding upon either the City or OEC Fiber, this Agreement shall become null and void at the City's option, after ninety (90) days written notice to OEC Fiber. Barring such a determination by a court or federal agency, or any governmental legislative body with jurisdiction, the City will not attempt to nor subject the provision of OEC Fiber's IP-enabled Video Service to regulation under any cable television or broadband telecommunications franchise ordinance or similar ordinance(s).

- c. City agrees to subject the construction and installation of the facilities that will be used in whole or in part to provide OEC Fiber's services, including its Video Service to the same process and review as it subjects the installation and construction of traditional telecommunications infrastructure.
- d. City agrees not to unreasonably block, restrict, or limit the construction and installation of facilities that will be used in whole or in part to provide OEC Fiber's Services.
- e. City agrees to process any and all applicable permits for the installation, construction, maintenance, repair, removal, and other activities associated with placement of communications or transmission facilities of any kind in a reasonable manner;

4. Video Services:

- a. Video Service Provider Fee: During the term of this Agreement, in addition to any permit and inspection fees, OEC Fiber shall pay to City a fee equal to 5% (five percent) of the gross revenues, as defined herein, of OEC Fiber and its affiliates collected from each subscriber to OEC Fiber's Video Services product. The fee ("Video Service Provider Fee") may be identified and passed through on any subscriber bill by OEC Fiber, and all such fees collected will be forwarded to the City on an annual basis within forty-five (45) days after the end of each year.
- b. Gross revenues, as used herein, include the following:
 - i. Recurring charges for Video Services from subscribers located within the City limits;
 - ii. Rental of set top boxes and other Video Services equipment, but not including any revenue towards capital costs of such equipment or towards replacement of such equipment due to malfunction;

- iii. Services charges related to the provision of Video Services, including, but not limited to, service order and service termination charges;
 - iv. Administrative charges related to the provision of Video Services, including, but not limited to, service order and service termination charges; and
- c. Gross revenues, as used herein, do not include:
 - i. Uncollectible fees, provided that all or part of uncollectible fees which is written off as bad debt but subsequently collected, less expenses of collection, shall be included in gross revenues in the period collected;
 - ii. Late payment fees;
 - iii. Revenues from contracts for in-home maintenance service unless they relate solely to maintenance on equipment used only for the provisioning of Video Services and not for the provisioning of any other service provided by OEC Fiber or its affiliates;
 - iv. Revenue from repairs or maintenance as received from subscribers in return for material and labor as performed by OEC Fiber;
 - v. Amounts billed to Video Services subscribers to recover taxes, fees or surcharges imposed upon Video Services subscribers in connection with the provision of Video Services, other than the Video Service Provider Fee authorized by this section;
 - vi. Revenue from the sale of capital assets or surplus equipment; or
 - vii. Charges, other than those described in subsection b. that are aggregated or bundled with amounts billed to Video Services subscribers.
 - viii. Any revenues received from advertising carried on the Video Service,
 - ix. Any revenues derived from services sold on event-based charges for Video Services, including but not limited to pay-per-view and video-on-demand charges, and home shopping.
- d. Bundling discounts for multiple services including Video Services shall be apportioned fairly among video and other services. OEC Fiber shall not apportion revenue in such a manner as to avoid the Video Services Provider Fee.
- e. In the event that any other video services provider, including but not limited to a cable operator or open video service provider, enters into any agreement or makes any arrangement with City during the term of this Agreement whereby it is required or allowed to pay a fee to the City that is similar to the Video Services Provider Fee described herein, City shall allow OEC Fiber the option, but not the obligation, to substitute the definition of “gross revenue” set forth in that agreement or arrangement

for the definition of “gross revenue” set forth in this Agreement immediately upon request of OEC Fiber.

- f. OEC Fiber will grant the City the right to conduct reasonable audits to assure that the Video Services Provider Fee has been properly calculated.
 - g. OEC Fiber and City agree that the Video Services Provider Fee, when it is implemented, shall be in lieu of all other concessions, charges, excises, franchise, license, privilege, taxes, or assessments *except* permit fees and inspection fees, sales taxes, personal or real property taxes, ad valorem taxes, any fees levied for the purpose of funding the E9-1-1 system, and the two percent (2%) Telephone Inspection Fee currently being paid by OEC Fiber.
 - h. During the term of this Agreement OEC Fiber shall provide the City two (2) “streams” or “channels” of noncommercial public, educational and governmental programming through OEC’s Video Services so long as the City and educational institutions designated by the City provide programming content in a standard digital format compatible with OEC Fiber’s Video Services technology. City and educational institutions designated by the City shall provide this programming to OEC Fiber at a Point of Presence designated by OEC Fiber. City and educational institutions designated by the City will be solely and individually responsible and liable for their own programming content.
 - i. OEC Fiber shall work with the City to identify an economically and technically feasible process for providing an appropriate message through OEC Fiber's IP-enabled Video Service in the event of a public safety emergency issued over the emergency alert system, which at a minimum will include the concurrent rebroadcast of local broadcast channels.
5. Applicable Law, Severability, and Entire Agreement. This Agreement shall be governed by and construed in accordance with the laws of the State of Oklahoma governing agreements made and fully performed in Oklahoma. If any provisions of this Agreement or the application thereof to any persons or circumstances shall, to any extent, be invalid or unenforceable, then the remainder of this Agreement or the application of such provision, or portion thereof, and each provision of this Agreement, shall be valid and enforceable to the fullest extent permitted by law, unless either party, within thirty (30) days of receipt of the ruling, provides written notice to the other party of election to terminate, in which case this Agreement shall terminate within six (6) months or such earlier period as the parties may mutually agree. Where the effect of a finding is a modification, the parties shall enter into good faith negotiations to modify this Agreement in the manner which best effectuates its overall purposes and the intentions of the parties. Failure to reach a mutually satisfactory modification within ninety (90) days of the commencement of such

efforts shall entitle either party to terminate the Agreement on the provision of thirty (30) days' written notice.

6. Termination. OEC Fiber shall have the right to terminate this Agreement and all obligations hereunder upon ninety (90) days written notice to the City, if (i) OEC Fiber concludes in its sole discretion that Video Service in the City is no longer technically, economically or financially consistent with OEC Fiber's business objectives; (ii) Title VI Communications Act of 1934 obligations or any similar obligations are imposed on OEC Fiber; or (iii) it becomes clear that OEC Fiber must offer or provide IP-enabled Video Service pursuant to a franchise (cable or otherwise) and/or franchise-like requirements or other local authorization.
7. Modification. This Agreement may be amended or modified only by a written instrument executed by both Parties.
8. Entire Agreement. This Agreement constitutes the entire agreement between City and OEC Fiber with respect to the subject matter contained herein and supersedes all prior or contemporaneous discussions, agreements, and/or representations of or between City and OEC Fiber regarding the subject matter hereof.
9. Waiver. Failure on the part of either Party to enforce any provision of this Agreement shall not be construed as a waiver of the right to compel enforcement of such provision or any other provision.
10. Miscellaneous.
 - a. OEC Fiber and City each hereby warrants that it has the requisite power and authority to enter into this Agreement and to perform according to the terms hereof.
 - b. The headings used in this Agreement are inserted for convenience or reference only and are not intended to define, limit or affect the interpretation of any term or provision hereof. The singular shall include the plural; the masculine gender shall include the feminine and neutral gender.
 - c. Nothing contained in this Agreement is intended or shall be construed as creating or conferring any rights, benefits or remedies upon, or creating any obligations of the Parties hereto toward any person or entity not a party to this Agreement, unless otherwise expressly set forth herein.
 - d. This Agreement shall not be exclusive and the City expressly reserves the right to enter into similar agreements with any other company offering the same or similar video services at any time.

- e. The geographic area covered by this Agreement shall be the incorporated limits of the City of Chickasha, Oklahoma, as such area now exists or may be modified in the future by annexation or de-annexation.
- f. The parties agree that Grady County District Court shall be the sole and exclusive forum for any judiciable disputes concerning this Agreement.

11. Binding Effect. This Agreement shall be binding upon and for the benefit of each of the Parties and their respective principals, managers, City Council members, offices, directors, shareholders, agents, employees, attorneys, successors and assigns and any parents, subsidiaries or affiliated corporations or entities, as applicable.

IN WITNESS WHEREOF, the parties hereto, by their duly authorized representatives, have executed this Agreement and made the same effective as of the _____ day of _____, 2022 ("Effective Date").

Agenda Item No. 6.d.

AGENDA ITEM: Discussion, consideration, and possible action to waive the bidding process and authorize the purchase of computers/monitors/accessories from Dell Computer using Oklahoma State Contract #MNWNC-108/SW1020D.

I. BACKGROUND/DESCRIPTION:

The City of Chickasha wishes to replace the outdated computer equipment with new equipment through Dell. The age of the current computers puts the City of Chickasha at risk for cybersecurity attacks. The City would like to budget and allocate a portion of the ARPA funds to cover the cost of the replacement of the computers. Due to the supply chain issues with computer chips that continues into 2022, it is difficult to find HP/DELL business computers to replace our outdated equipment. Due to the nature and urgency of this purchase, it is impractical to competitive bid the project at this time. Dell has provided the City with State Contract pricing.

II. RECOMMENDED ACTION:

Authorize the purchase of the computer equipment and peripherals under Dell's state contract ##MNWNC-108/SW1020D.

Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.

Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.
