Agenda Item No. 4.b.

AGENDA ITEM: Discussion, consideration and possible action to award bid CMA-2004 P.C. Concrete Street Repairs Project.

I. BACKGROUND/DESCRIPTION:

- On October 12th 2020 the City Manager signed task order 20-009 with Chisholm Trail Consulting to develop a bid packet consisting of Drawings and Specifications for concrete street repairs on Utah Street between 8th Street and 9th Street.
- The project consists of removing existing pavements and constructing new concrete pavement, curb and pipe underdrain and related elements located on Utah Avenue between 8th Street and 9th Street.
- On February 19th, 2021 staff opened bid CMA-2004 P.C Concrete Street Repairs Project.

II. RECOMMENDED ACTION:

Award bid CMA-2004 to Schiralli Construction in the amount of \$50,610.00

III. FISCAL INFORMATION - 53-553-6450-015.2 / Concrete Roads/Curbs

This is a budgeted item.

RE: RFP CMA-2004
P.C. CONCRETE STREET REPAIRS PROJECT
CHICKASHA, OK

Dear Mr. Buchanan:

A careful review of the bids submitted on February 19, 2021 for the referenced project reveals that the lowest responsive bid was submitted by Schiralli Construction Corp. of Wilson, Oklahoma. Please refer to the attached Detailed Bid Tabulation and Bid Tabulation Summary for more information.

The work on this project entails concrete pavement removal and replacement on Utah Avenue between 7th Street and 8th Street, along with installation of an underdrain and paved ditch along 7th Street to mitigate an apparent groundwater problem. The Base Bid calls for the minimum area of removal and replacement to be made. Alternate Bid Number 1 calls for enlarging the area of pavement removal and replacement to provide a more uniform finished product.

Schiralli Construction Co., Inc. has been in business in Oklahoma for approximately 16 years and has been completing similar projects in the area.

It is my recommendation that the City of Chickasha award a contract to Schiralli Construction Corp. for Alternate Bid Number 1 in the amount of \$50,610.00, if budgetary constraints permit. The unit prices submitted by Schiralli for this project are advantageous to the City of Chickasha.

If you have any questions, or require additional information, please do not hesitate to call me.

Sincerely,

R. Scott Vaughn, P.E., CFM

Meeting Type: CMA Agenda 4-19-2021

Meeting Date: 4/19/2021

Department: Public Works

Agenda Item No. 4.c.

AGENDA ITEM: Discussion, consideration and possible action to award bid CMA-2005 Bituminous Pavement Rehabilitation Project.

I. BACKGROUND/DESCRIPTION:

- On October 12th 2020 the City Manager signed task order 20-009 with Chisholm Trail Consulting to develop a bid packet consisting of Drawings and Specifications for concrete street repairs on Utah Street between 8th Street and 9th Street.
- The project consists of removing existing pavements and constructing new concrete pavement, curb and pipe underdrain and related elements located on Utah Avenue between 8th Street and 9th Street.
- On February 19th, 2021 staff opened bid CMA-2005 Bituminous Pavement Rehabilitation Project.
- Only one vendor submitted a bid.

II. RECOMMENDED ACTION:

Award bid CMA-2005 to Schiralli Construction Corp in the amount of \$58,121.00

III. FISCAL INFORMATION - 53-503-6450-015.1 / Annual Overlay Program

This is a budgeted item.

IV. FUND INFORMATION:

Chickasha, Oklahoma 73018

RE: RFP CMA-2005
BITUMINOUS PAVEMENT REHABILITATION PROJECT
CHICKASHA, OK

Dear Mr. Buchanan:

As you know, the only bid submitted for this project was from Schiralli Construction Corp. of Wilson, Oklahoma. Please refer to the attached Detailed Bid Tabulation and Bid Tabulation Summary for more information.

The work on this project entails rehabilitating the pavement and cleaning roadside ditches on Douglass Street from the north side of Elm Avenue to the north side of Maple Avenue. Rehabilitation in this case involves grinding and removing the existing surface, repairing the soil subgrade, placing aggregate base blended with the ground surfacing material on the subgrade, then resurfacing. The project also entails resurfacing and cleaning roadside ditches on Douglass Street from the north side of Maple Avenue to the south side of Ada Sipuel Avenue. The Base Bid calls for chip seal surfacing while Alternate Bid 1 calls for hot-mix asphalt overlay.

Alternate Bid 2 calls for building concrete entries with culverts to two alleys along Douglass Street just south of Ada Sipuel and building paved ditches at Ada Sipuel. This is needed to address roadside drainage problems in the area.

Schiralli Construction Co., Inc. has been in business in Oklahoma for approximately 16 years and has been completing similar projects in the area.

It is my recommendation that the City of Chickasha award a contract to Schiralli Construction Corp. for the Base Bid and Alternate Bid Number 2 in the amount of \$58,121.00, if budgetary constraints permit.

If you have any questions, or require additional information, please do not hesitate to call me.

Sincerely,

R. Scott Vaughn, P.E., CFM
