Attn: Mr. David Buchanan

Gentlemen:

I appreciate your inquiry into our services to help you with the disposal of your storm debris stockpiles. But unfortunately our crews are meeting our obligations with the City of Moore, City of Yukon, and the City of Midwest City performing the same debris remediation.

We just have no one available at this time. If at a later date when we have completed some of our work and you still are in need of our services we can take the matter back up.

If you have any questions or need more information, please call.

Sincerely,

Mike Campbell
